

Behaviour Diary

| Day and Time | What was happening before? <i>(who was there, location?)</i> | Behaviour displayed <i>(What did the child do/say duration)</i> | Consequences <i>(How did I/ others react?)</i> | Reflection <i>(what could I do differently?)</i> |
|----------------------------------|--|---|--|---|
| Example: Monday 8:30am | G was watching TV with sister, sitting calmly. I turned TV off | Screaming, hitting me 45 minutes | Shouted at G that is was time to go | Give G a warning before turning TV off. To stay calm and explain its time to go |
